

REMARKS/ARGUMENTS

Favorable reconsideration of this application as presently amended in light of the following discussion is respectfully requested.

Applicants thank the Examiner for the kind discussion with Applicants' representative on July 3, 2007. The content of that discussion is reflected in the present response.

Claims 4, 5, and 12 are now pending in this application. Claim 12 is newly added. Claims 4 and 5 are amended to depend from claim 12. Claims 3 and 11 are herein canceled. No new matter is added.

In the outstanding Office Action, claims 3-5 and 11 were rejected under 35 U.S.C. §112, first paragraph, as containing subject matter not described in the specification. In response thereto, claim 12 is herein added. It is believed that new claim 12 complies fully with the written description requirement. Claims 4 and 5, now depending from claim 12, are also believed to be fully supported. Accordingly, Applicants respectfully request withdrawal of the present rejections and allowance of claims 4, 5, and 12.

Consequently, in light of the above discussion and in view of the present amendment, the present application is believed to be in condition for allowance. An early and favorable action to that effect is respectfully requested.

Respectfully submitted,
